REGULATORY AND PLANNING COMMITTEE AGENDA

JUNE 2006

1. CAUGHEY SUBDIVISION ROAD NAMES

(Report from Roading Manager – 31.05.06)

Attached is a letter from Clarke Fortune McDonald & Associates referring to the new Caughey subdivision road names.

As Mr Fortune states the Gore District Council does not appear to have a specific policy regarding the choice of new street/road names.

His suggested use of the Southland District Council policy as a guide in this situation is sensible. As can be seen the names proposed for the new roads in the subdivision (at the west end of Coutts Road), Spittles Way, Willow Lane and Eversfield Rise all conform with the Southland District Council policy.

RECOMMENDATION

THAT the report be received,

AND THAT the Council approve the proposed new road names; Spittles Way, Willow Lane and Eversfield Rise.

2. REGULATORY BULLETIN

(Memo from Chief Executive – 01.06.06)

Attached is a schedule of building consents issued for April and May 2006, together with comparisons with the previous two years.

Also attached are schedules of resource consents issued to 31 May 2006.

RECOMMENDATION

THAT the information be received.
