

## Queen's Birthday Weekend Hours

While our main office and libraries are closed for the long weekend, we've still got other popular facilities open. We also have staff on call across our various services. If there's an emergency or issue requiring attention as soon as possible or you need noise control phone **(03) 209-0330**.

Non-urgent issues can be reported using our Antenno app, which you can easily download from the App Store or Google Play.

**Civic Administration Centre**  
Closed - Monday 4 June

**Gore Visitor Centre**  
Open - Saturday, Sunday, Monday  
10:00am – 2:00pm

**Gore Library**

Sunday 12 noon – 5:00pm  
Closed - Monday 4 June

**Kerbside Collection Service**  
Wheelie bin collections will be one day later than usual due to the Queen's Birthday public holiday on Monday. If your collection day is Monday 7 June, your wheelie bin will be collected on Tuesday 8 June; Tuesday's collection day will be on Wednesday and so on.

### Rebate still available

There's still time for residents to apply for the rebate on their rates.

Rates rebates are for everyone, not only superannuitants. Rebates are calculated on household income, rates and the number of dependants.

Anyone interested in learning more can go to [www.goredc.govt.nz/your-council/rates](http://www.goredc.govt.nz/your-council/rates) or call the Council on **209-0330**. Rebates for this financial year close on 30 June.

### Road closure

Abernethy Contracting will be felling some large trees, as weather permits, along Waimea Street. The work will take place sometime between Monday 14 June and Monday 21 June.

This will require the street, between the intersection with Norton Street and State Highway 94, to be closed periodically between 9:00am and 11:30am.

### Homeowner notification for wastewater inspections

Later this month the 3 Waters team will start inspecting Gore and Mataura's wastewater network using CCTV.

Before each inspection, contractors will be cleaning wastewater pipelines using a high-pressure water blaster. This can cause turbulence and fluctuations in the air pressure in a property's wastewater system.

**It will be important for residents to keep their toilet lids closed while work is being carried out their area.**

To stay informed, download the Council's app Antenno. There will be a weekly notification to let residents know when there's work in their area.

The contractors will also be doing letter drops to affected residents a couple of days before they arrive in an area.

### Building Control Inspections

The Council's building control team would like to remind customers wanting a building inspection to make a booking at least two days before the inspections is required.

All inspection requests are placed on a waiting list and one of the team tries to arrange an inspection at a time to suit both parties. So, please don't leave it until the last minute to get in touch. Phone **209-0330** to make your booking.

**FREEZE YA BITS OFF BUSKING**

**THURSDAY 3 JUNE**  
Schools Competition

**FRIDAY 4 JUNE**  
Busking Auditions

**SATURDAY 5 JUNE**
