### Mataura River Crossing Project - Have your Say

This is a reminder to let the Council know your preference for getting two water pipelines across the Mataura River so it can deliver water that meets national drinking water standards to the entire town.

The options are:

- Look at an option that combines the water pipes with a walking and cycling bridge.
- Just focus on getting the pipelines across the river, which is likely to be by drilling underneath it.

Your feedback will help the Council decide what to do, alongside technical findings. Go to [www.lets.talk.goredc.govt.nz](http://www.lets.talk.goredc.govt.nz) to more information and an online feedback form. Feedback closes on Friday 21 April.
