

## Tulloch Park Redevelopment

Concept designs for Tulloch Park's redevelopment stage two are on display at the **Mataura Service Centre & Library**, and online.

The redevelopment of the soon-to-be-demolished pool features a new splash pad – the only town south of Christchurch to have one.

The plans also include resurfacing the old basketball court and building a new toilet and changing room block.

Combined with the existing pump track and playground, the new activity areas will make Tulloch Park a must-do attraction for locals and visitors alike.

Be sure to head over to our Let's Talk Korero Mai engagement page to see the proposed concept designs and let us know what you think at [lets.talk.goredc.govt.nz](https://lets.talk.goredc.govt.nz).
