Topic 40: Activities on Surface of Water

Submitter (S) Further Submitter (FS)	Provision	Summary of Decision Requested	Decision	Amend PDP
S109.098 Department of Conservation	ASW-Overview	While different user groups of the waterways perceive conflict between their activities from time to time, this is not at a scale that requires exclusive separation of activities or other management approaches. Motorised activities do however have the potential to impact on the amenity of the waterways, ~~and~~ adjoining land and could have potential adverse effects on the ecological values associated with the District's rivers. The provisions of this chapter seek to manage these adverse effects, while also providing for the sustainable use of motorised craft.	Accept in Part	Yes
