

See you Saturday!

WIN GUS THE GREEN CONE

Three sleeps to go! Make sure you pop by our site at the Gore Show for a chinwag. We're keen to talk about:

- The Mataura River Crossing Project – we want to hear people's ideas about how we get two pipes across the river to get water from our East Gore treatment plant to the Jacobstown Well
- Waste minimisation – Dr Niki Bould loves talking rubbish and how we can reduce it
